**Titus Ranks #627 on *Inc.* 5,000 List of Fastest-Growing Companies  
with Three-Year Sales Growth of 517.4%**

**NEW YORK, August 23, 2007** – *Inc.* magazine today ranked Titus No. 627 on its first-ever *Inc.* 5,000 list of the fastest-growing private companies in the country. The *Inc.* 5,000, an extension of *Inc.* magazine's annual *Inc.* 500 list, catches many businesses that are too big to grow at the pace required to make the *Inc.* 500, as well as a host of smaller firms. Taken as a whole, these companies represent the backbone of the U.S. economy.

Only independent, privately-held companies – not subsidiaries or divisions of other companies – with at least a four-year sales history and at least \$2 million in revenue in 2006, were included in the list. The list ranks businesses by percentage of revenue growth from 2003 to 2006. Median revenue for the 5,000 was \$9.4 million and median three-year growth was 140%. Titus' 2006 revenue was \$23.9 million with a three-year revenue growth of 517.4%.

In addition to placing high on the 5,000 list, Titus was also in two “Top 100” lists that sorted the winners by industry and metro region. Within its industry, Business Services, Titus placed #33. Within the Milwaukee metro region, where Titus’ corporate headquarters are located, Titus placed #5.
